

# Unitarian Universalist Buddhist Fellowship

## Convocation 2007

Thursday dinner, April 12 through lunch Sunday, April 15, 2007  
Garrison Institute, Garrison, New York

### Unitarian Universalist Buddhists Bearing Witness

Our exploration for this gathering will be socially engaged Buddhism. What are appropriate and skillful actions for Buddhists who have taken the vow to liberate all beings, and also UU's who affirm a faith in the inherent worth and dignity of every person?

with **Bernie Glassman & Eve Myonen Marko**

Roshi Bernie and Sensei Eve are founders of the Zen Peacemakers order. They collaborated in writing the book *Bearing Witness: A Zen Master's Instructions on Making Peace*. Glassman is the first western dharma heir of Maezumi Roshi (1976) and a pioneer of the American Zen movement. He has taken the dharma to the marketplace founding the Greyston Mandala, a network of community development organizations based on Buddhist values. He has also organized meditation retreats at Auschwitz and on the streets of New York City.

With special performances by
