

The UUMN Board of Trustees issued the following statement June 14, 2010

The Unitarian Universalist Musicians Network supports UUA President Peter Morales' vision of what General Assembly can be in Phoenix, collaborating with our allies and joining with those UU's in the Phoenix area who are doing the work of witnessing for justice in immigration reform. We recognize and support UUs with other views, especially those who choose to stay away for safety reasons. We will continue to be at the table to have meaningful conversations about this important issue.
